

Verification of Attributes Report (VAR) No.: _____

ICC EVALUATION SERVICE (ICC-ES) ICC-ES ENVIRONMENTAL PROGRAMS QUALITY CONTROL DECLARATION

In keeping with ICC-ES Environmental Programs Rules of Procedure, this quality control declaration must be completed and signed on an annual basis by an authorized representative of each manufacturer holding an ICC-ES Verification of Attributes (VAR) report. The declaration will be used to verify implementation of quality control procedures, and that the product originally recognized has not changed. *If you answer "Yes" to any of the questions, please provide details on a separate sheet.* This document should be completed and returned to the ICC-ES business office within 30 days of receipt.

QUESTION	RESPONSE	
As regards the product(s) covered by the VAR: Have there been any significant changes in the documented quality control system?	YES	NO
Have there been any significant changes in the way the product is identified in the labeling, or in the procedure for tracing product to production and materials records?	YES	NO
Have there been any changes in the major production equipment, or significant changes in production methods?	YES	NO
Have there been any changes in the product specifications, assembly methods, or manufacturing tolerances?	YES	NO
Have there been any changes to the specifications for incoming materials, or in providers of the incoming materials?	YES	NO
Has the currently manufactured product changed from what was originally recognized in the ICC-ES VAR?	YES	NO
