## ICC-ES Issues Several New Building Product Listings to Manufacturers

*ICC-ES Listing program continues growth acceleration*

[ICC Evaluation Service](#) (ICC-ES), the experts in building product evaluation and certification, has issued 11 new listings, continuing its growth acceleration path under its [Building Product Listing Program](#). ICC-ES Listings advance manufacturers' certification scope, indicating to code officials they are approved building products that meet the requirements of specific consensus standards referenced in building codes.

“We are excited to see the continuous growth of our Listing Program, issuing new listings to manufacturers seeking immediate acceptance by code officials,” said ICC-ES President Shahin Moinian, P.E. “ICC-ES’ reputation is built on producing high quality evaluation reports, and it is because of our technical expertise and decades of experience that we are able to evaluate building products to the same degree and issue high quality listings in a timely manner.”

The latest manufacturers to receive ICC-ES Building Product Listings are:

- [ESL-1049](#) Hydro-Gard, LLC – Hydro-Prufe® 80 Mil Polyvinyl Chloride (PVC) Waterproofing Membrane for Tank Lining

### **About ICC-ES**

A nonprofit, limited liability company, ICC-ES is the United States' leading evaluation service for innovative building materials, components and systems. ICC-ES [Evaluation Reports](#) (ESRs), [Building Product Listings](#) and [PMG Listings](#) provide evidence that products and systems meet requirements of codes and technical standards. The ICC-ES Environmental Programs issue VAR environmental reports that verify a product meets specific sustainability targets defined by today's codes, standards, green rating systems and ICC-ES [environmental criteria](#). The Environmental Programs now offer Environmental Product Declarations ([EPDs](#)), to meet global market demand for science-based, transparent, quality-assured information about a product's environmental performance. ICC-ES is a member of the [ICC](#) Family of Companies. For more information, please visit [www.icc-es.org](http://www.icc-es.org).
