Re: Acceptance Criteria AC166

Dear Mr. Allen:

Please accept this letter in support of the proposed changes to AC166 – Acceptance Criteria for Metal Roof Coverings.

The proposed changes will allow manufacturers to pursue an evaluation report for non-interlocking metal shingles with factory-applied adhesive that can provide proven performance.

Respectfully submitted,

A handwritten signature in black ink that reads "Joan P. Crowe". The signature is written in a cursive, flowing style.
