*Code Council continues support as major sponsor of NAHB for over 15 years*

**Brea, CA** – ICC Evaluation Service (ICC-ES) and the ICC Family of Solutions will be in attendance at the 2023 National Association of Home Builders (NAHB) [International Builders' Show](#) (IBS) and National Kitchen & Bath Association (NKBA) [Kitchen and Bath Industry Show](#) (KBIS) during the tenth annual [Design and Construction Week](#) (DCW) in Las Vegas, Nevada.

As a preferred sponsor of DCW, the Code Council and ICC-ES have supported both industry shows for over fifteen years, highlighting the company's deep commitment to building safety innovations.

The International Code Council (ICC) is exhibiting at **IBS booth C7114** and **KBIS booth N1963**. “ICC-ES is honored to continue our long-standing support and be at the forefront of building and kitchen innovation this year at IBS and KBIS,” said ICC-ES President Shahin Moinian, P.E. “We are looking forward to sharing some exciting news on the Code Council’s expanding global capabilities that will enhance an already robust portfolio of building safety solutions in the industry.”
