ICC Family of Solutions Supports 2024 International Builders' Show and Kitchen and Bath Industry Show

ICC-ES and the Code Council unveil new programs and exciting partnerships during largest design and construction gathering in the world

Brea, CA – The Code Council family of solutions will be exhibiting at the 2024 National Association of Home Builders [International Builders' Show](#) (IBS) and National Kitchen & Bath Association [Kitchen and Bath Industry Show](#) (KBIS) during the 11th annual [Design and Construction Week](#) (DCW) in Las Vegas, Nevada. As a preferred sponsor of DCW, the Code Council and ICC Evaluation Service (ICC-ES) have supported both industry shows for over sixteen years, highlighting the company's deep commitment to building safety.

Attendees can **join the Code Council at the IBS booth #C6725 on Tuesday, February 27, at 3:00 pm** for a special event showcasing their partnerships that support the advancement of the plumbing industry and hear from Dominic Sims, CBO, Chief Executive Officer of the Code Council. Special guests will also include Spencer Brown of American Plumber Stories, a docuseries that celebrates the lives and work of plumbers, and Craig Childress who recently won the title of America's Best Plumber. ICC-ES will be introducing a new sustainable cabinet certification program, for manufacturers that meet performance and environmental requirements.

The ICC-ES team is knowledgeable about building and plumbing product testing and certification needs, and will be available at booths C6725 and N2763.

ICC-ES is also exhibiting at **KBIS booth N2763**. Each show will be staffed with a dedicated team of representatives from all facets of the family of solutions to answer questions and assist with code and conformity assessment needs, offering a unique opportunity to connect with these important resources face-to-face.

"The Code Council family is dedicated to building safety and customer service," said Executive Vice President of the ICC Conformity Assessment Group and ICC-ES President David Tompos. "We are looking forward to extending new and exciting conformity assessment services to support code officials, manufacturers, and consumers in the ongoing effort to build for a better tomorrow."
