

## CERTIFICATION BODY ACCREDITATION PROGRAM (CBAP)

### Scope of Accreditation

**Accredited Legal Entity:**     **ICC EVALUATION SERVICE, LLC**

Contact Name:                    Craig S. Morr, Vice President, Quality Systems

**LOCATION A**

Address:                            3060 Saturn Street, Suite 100  
   Brea, CA  
   92821  
   U.S.A.

Telephone:                         +1 888 422 7233 ext. 3562

Website:                            [www.icc-es.org](http://www.icc-es.org)

Email:                                [cmorr@icc-es.org](mailto:cmorr@icc-es.org)

| <b>SCC File Number:</b>                      | 10057  |
| <b>Accreditation Standard:</b>               | ISO/IEC 17065:2012 – Conformity assessment — Requirements for bodies certifying products, processes and services |
| <b>Additional Accreditation Requirement:</b> | Requirements and Guidance – Product, Process, and Service Certification Body Accreditation Program, 2020-02-16   |
| <b>Initial Accreditation:</b>                | 2011-07-28   |
| <b>Most Recent Reaccreditation:</b>          | 2023-07-11   |
| <b>Accreditation Valid to:</b>               | 2024-01-28   |

**Additional Fixed Office Locations:**

The certification activities conducted by the above-mentioned legal entity at the following locations are also included in this scope of accreditation:

| Location | Country | Address  | City       |
|----------|---------|--|------------|
| B        | USA     | 900 Montclair Road<br>Birmingham, AL 35213<br>Telephone: 205-591-1853<br>Fax: 205-599-9850 | Birmingham |

**Certification Mark:**

**Product Certification Scheme:**

ISO/IEC 17067, Conformity assessment - Fundamentals of product certification and guidelines for product certification schemes, *scheme type 5* most closely resembles the product certification scheme operated by this organization. The surveillance part of this scheme allows for the choice between periodically taking samples of the product either from the point of production, or from the market, or from both, and subjecting them to determination activities to check that items produced subsequent to the initial attestation fulfil the specified requirements. The surveillance includes periodic assessment of the production process, or audit of the management system, or both. The extent to which the four surveillance activities are conducted may be varied for a given situation, as defined in the scheme. If the surveillance includes audit of the management system, an initial audit of the management system will be needed.

**Scope of Accreditation:**

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

| ICS No.   | Title   | Purpose                        |
|-----------|---|--------------------------------|
| 13.060.20 | Drinking Water  | Performance<br>Health Safety   |
| 13.220.20 | Fire protection   | Performance and fire<br>safety |
| 13.220.40 | Ignitability and burning behavior of materials and products | Performance and fire<br>safety |
| 13.220.50 | Fire-resistance of building materials and elements          | Fire safety                    |

| ICS No.   | Title  | Purpose                           |
|-----------|--|-----------------------------------|
| 13.320    | Alarm and warning systems  | Electrical Safety and Performance |
| 13.340    | Protective equipment   | Performance Health Safety         |
| 21.060.10 | Bolts, screws, studs   | Performance                       |
| 21.060.50 | Pins, nails  | Performance                       |
| 21.060.70 | Clamps and staples   | Performance                       |
| 23.040.01 | Pipeline components and pipelines in general   | Performance Health Safety         |
| 23.020.10 | Stationary containers and tanks  | Performance Health Safety         |
| 23.040.10 | Iron and steel pipes   | Performance Health Safety         |
| 23.040.15 | Non-ferrous metal pipes  | Performance Health Safety         |
| 23.040.20 | Plastic pipes  | Performance Health Safety         |
| 23.040.40 | Metal fittings   | Performance Health Safety         |
| 23.040.45 | Plastics fittings  | Performance Health Safety         |
| 23.040.50 | Pipes and fittings of other materials  | Performance Health Safety         |
| 23.040.80 | Seals for pipe and hose assemblies   | Performance Health Safety         |
| 23.060.01 | Valves in general  | Safety and Performance            |
| 23.060.40 | Pressure regulators Including pressure-reducers  | Performance Health Safety         |
| 23.060.50 | Check valves   | Performance Health Safety         |
| 23.060.99 | Other valves   | Performance Health Safety         |
| 25.160.01 | Welding, brazing and soldering in general Limited to flux for soldering of copper tubing | Performance                       |
| 27.160    | Solar energy engineering   | Performance                       |
| 49.025.50 | Adhesives Limited to solvent cements for plastic pipe and fittings                       | Performance                       |

| ICS No.   | Title  | Purpose   |
|-----------|--|---|
| 71.100.50 | Wood-protecting chemicals  | Performance                                       |
| 77.140.70 | Steel Profiles   | Performance                                       |
| 79.040    | Wood, sawlogs and sawn lumber  | Performance                                       |
| 79.060.01 | Wood-based panels in General   | Performance                                       |
| 83.140    | Rubber and plastics products   | Performance                                       |
| 91.040.99 | Other Buildings (Site Preparation, Foundation, and Anchorage of Factory manufactured modular homes intended for residential use) | Building Safety                                   |
| 91.060.10 | Walls. Partitions. Façades   | Performance                                       |
| 91.060.20 | Roofs  | Performance                                       |
| 91.060.40 | Chimneys, shafts, ducts Including flues and flue pipes   | Performance, Fire Safety                          |
| 91.060.50 | Doors and windows  | Performance                                       |
| 91.080.20 | Timber structures  | Performance                                       |
| 91.080.30 | Masonry  | Performance                                       |
| 91.080.40 | Concrete Structures  | Performance                                       |
| 91.100.10 | Cement. Gypsum. Lime. Mortar   | Performance                                       |
| 91.100.30 | Concrete and concrete products   | Performance                                       |
| 91.100.50 | Binders. Sealing materials   | Performance                                       |
| 91.100.60 | Thermal and sound insulating materials   | Performance                                       |
| 91.120.10 | Thermal insulation of buildings  | Fire safety, performance                          |
| 91.120.20 | Acoustics in buildings. Sound insulation   | Performance                                       |
| 91.120.30 | Waterproofing  | Performance                                       |
| 91.140.30 | Ventilation and air-conditioning systems   | Performance, Fire safety                          |
| 91.140.60 | Water supply systems   | Performance<br>Health Safety<br>Energy Efficiency |
| 91.140.65 | Water heating equipment<br>*Gas water heaters only   | Safety and Performance                            |
| 91.140.70 | Sanitary installations   | Performance Health Safety                         |

| ICS No.   | Title   | Purpose                   |
|-----------|---|---------------------------|
| 91.140.80 | Drainage systems  | Performance Health Safety |
| 91.160    | Lighting<br><i>Including oil and gas lamps</i>                      | Safety and Performance    |
| 91.190    | Building accessories  | Performance               |
| 93.020    | Earthworks, Excavations, Foundation construction, Underground works | Performance               |
| 97.100.20 | Gas Heaters   | Safety and Performance    |

This document forms part of the Certificate of Accreditation issued by the Standards Council of Canada (SCC) to ICC EVALUATION SERVICE, LLC . The original version is available in the Directory of Accredited Product, Process and Service Certification Bodies on the SCC website at [www.scc.ca](http://www.scc.ca).
