## ICC-ES Listing Report ESL-1633

Issued August 2024

This listing is subject to renewal August 2025.

A Subsidiary of the International Code Council®

CSI: DIVISION: 07 00 00 — THERMAL AND MOISTURE PROTECTION Section: 07 56 00 — Fluid-Applied Roofing

### Product Certification System:

- The ICC-ES product-certification system includes evaluating reports of standard manufactured product, prepared by accredited testing laboratories and provided by the listee, to verify compliance with applicable codes and standards. The system also involves factory inspections, and assessment and surveillance of the listee's quality system.
- Product: NANOTECH MATERIALS COOL ROOF COAT
- Listee: NANOTECH MATERIALS, INC.
- **Evaluation:** NanoTech Materials Cool Roof Coat, an elastomeric acrylic roof coating, was evaluated when tested in accordance with the following standard:
  - ASTM D6083 (-21 and -18), Standard Specification for Liquid-Applied Acrylic Coating Used in Roofing, ASTM International.

# **Findings:** The NanoTech Materials Cool Roof Coat is an elastomeric acrylic roof coating complying with ASTM D6083, Type I, as referenced in the applicable sections of the following code editions below:

2024 and 2021 International Building Code<sup>®</sup> Applicable Section: 1509.2 and Table 1509.2

### Identification:

- The ICC-ES mark of conformity, electronic labeling, or the listing report number (ICC-ES ESL-1633), and when applicable, the ICC-ES listing mark, along with the name, registered trademark, or registered logo of the listee must be included in the product label.
- 2. In addition, each container of the NanoTech Cool Roof Coat is labeled with the manufacturer's name and address, the product designation and the date of manufacturer, the self-life and the batch number.
- 3. The report holder's contact information is the following:

NANOTECH MATERIALS, INC. 21404 PARK ROW DRIVE SUITE 360 KATY, TEXAS 77449 (979) 557-9519 www.nanotechmaterials.com

**Installation:** The coating must be installed in accordance with the Nanotech Materials, Inc.'s published installation instructions and applicable codes.

### **Conditions of listing:**

- 1. The listing addresses only conformance with the standard and code sections noted above.
- 2. Approval of the product's use is the sole responsibility of the local code official.
- 3. The listing applies only to the materials tested and as submitted for review by ICC-ES.
- 4. The NanoTech Cool Roof Coat is manufactured under a quality control program with inspection by ICC-ES.

Listings are not to be construed as representing aesthetics or any other attributes not specifically addressed, nor are they to be construed as an endorsement of the subject of the listing or a recommendation for its use. There is no warranty by ICC Evaluation Service, LLC, express or implied, as to any finding or other matter in this listing, or as to any product covered by the listing.
