

CSI: DIVISION: 22 00 00—PLUMBING  
Section: 22 09 00—Instrumentation and Control for Plumbing

### Product certification system:

The ICC-ES product certification system includes testing samples taken from the market or supplier's stock, or a combination of both, to verify compliance with applicable codes and standards. The system also involves factory inspections, and assessment and surveillance of the supplier's quality system.

Product: Plumbing Supply Fittings

Listee: Santec, Inc.  
3501 Challenger St.  
Torrance, CA 90503  
[www.santecfaucet.com](http://www.santecfaucet.com)

### Compliance with the following standards:

EPA WaterSense High-Efficiency Lavatory Faucet Specification (v.1.0)

### Identification:

Santec Inc.'s Plumbing Supply Fittings shall be marked with:

- (a) the manufacturer's recognized name, trademark, or other mark; or
- (b) in the case of private labeling, the name, trademark, or other mark of the customer for whom the fitting was manufactured.
- (c) the ICC-ES PMG listing mark

Markings shall be accomplished by use of a permanent mark or by placing a permanent label on the product. Markings shall be located in such a way that they are visible after installation

Packaging shall be marked with:

- (a) the manufacturer's recognized name, trademark, or other mark as well as the model number; or
- (b) in the case of private labeling, the name, trademark, or other mark of the customer for whom the fitting was manufactured as well as the model number.

The product shall also bear the PMG certification mark and the product and package shall bear the EPA WaterSense logo.

### Installation:

Supply fittings shall be installed in accordance with the manufacturer's instructions and the applicable code.
