Compliance with the following standards:

ASME A112.19.2/CSA B45.1 – 2018(R2023), Ceramic Plumbing Fixtures

Identification:

Each fixture must be permanently and legibly marked with the manufacturer's name or registered trademark or, in the case of private labelling, the name of the customer for whom the fixture was manufactured and the ICC-ES PMG listing mark. Markings shall visible after installation.

Packaging shall be marked with the manufacturer's name or registered trademark or, in the case of private labelling, the name of the customer for whom the fixture was manufactured and model number.

Installation:

Installation must be in accordance with the manufacturer's published installation instructions and the requirements of the applicable code. Fixtures shall be supplied with installation and care and maintenance instructions.

Models:

Harsa Sanitaryware Ltd.
