A Subsidiary of the International Code Council®

CSI: DIVISION: 22 00 00—PLUMBING
Section: 22 13 16—Sanitary Drain, Waste and Vent Piping

Product certification system:

The ICC-ES product certification system includes testing samples taken from the market or supplier's stock, or a combination of both, to verify compliance with applicable codes and standards. The system also involves factory inspections, and assessment and surveillance of the supplier's quality system.

Products: Sanitary Waste Valve

Listee: Wavin Ltd.
Parsonage Way
Chippenham, Wiltshire, UK SN15 5PN
www.wavin.com

Compliance with the following codes:

2020, 2015 and 2010 *National Plumbing Code of Canada*® **

***National Plumbing Code of Canada is a copyrighted publication of National Research Council Canada*

Compliance with the following standards:

ASME A112.18.8-2020, Sanitary Waste Valves for Plumbing Drainage Systems
CSA TIL MSE 55-2009, In-Line Sanitary Waste Valves for Plumbing Drainage Systems
NFPA 1192-2021, Standard on Recreational Vehicles – Chapter 7

Identification:

The product shall be marked with the manufacturer's name or trademark, product name/brand name, nominal size of inlet and outlet, date of manufacture, predominant material, direction of flow indicator, indication of the orientation of the installation of the device, and the ICC-ES PMG listing mark (packaging acceptable).

Installation:

Installation must comply with the manufacturer's published installation instructions and the applicable codes.

When installed in a RV, a "Notice" Label shall be affixed on or adjacent to the valve or the fixture it services regarding the removal the valve before using mechanical drain-cleaning devices as sanitary waste valve can be damaged.

A copy of the installation instruction shall remain on-site with the end user as the instruction will mention limitations on the use and type of drain-cleaning chemicals and tools that can be used on the valve.

Installation in a manufactured home or recreational vehicle must be in accordance with NFPA 1192 Chapter 7 and UPC Appendix E

Models:

HepvO Valve models

BV1B/U
