## 2.0 USES

Masterbrand Cabinets LLC's kitchen and vanity cabinets are used for a variety of interior applications including use in kitchens and bathrooms.

## 3.0 CABINET PERFORMANCE AND SUSTAINABILITY ATTRIBUTES

### 3.1 Biobased Content:

Masterbrand Cabinets LLC's kitchen and vanity cabinets are manufactured from biobased materials, which includes various species of solid wood and types of engineered wood such as particle board, plywood, and MDF.

### 3.2 Formaldehyde Emission Compliance:

The raw particleboard, plywood, and MDF materials used in manufacture are certified for compliance with EPA TSCA Title VI, 15 U.S.C. 2697 formaldehyde standards, and section 93120 California Code of Regulations (CARB ATCM) or are exempt from certification requirements.

### 3.3 Performance and Construction:

Masterbrand Cabinets LLC's kitchen and vanity cabinets are certified for compliance with the ANSI A161.1-2022 Performance and Construction Standard for Kitchen and Vanity Cabinets; see ICC-ES listing [PMG-1698](#).

## 4.0 MANUFACTURING SUSTAINABILITY ATTRIBUTES

The Masterbrand Cabinets LLC's manufacturing facilities have been verified to implement the following programs in accordance with the ICC-ES Environmental Criteria for Safe and Sustainable Cabinetry (SASC) [EC118]:

- 4.1 Greenhouse Gas (GHG) emissions measurement programs in accordance with the U.S. Environmental Protection Agency Greenhouse Gas Inventory Guidance documents.
- 4.2 Tracking of water consumption used in manufacturing.
- 4.3 Tracking of the total amount of hazardous and non-hazardous waste produced at each facility.
- 4.4 Tracking of the total amount of waste that is recycled and / or repurposed, and verification that a minimum of 51% of all waste generated is recycled and / or repurposed.

## 5.0 CONDITIONS

### Green Rating Systems, Standards and Code Eligibility:

The information presented in Tables 1 through 5 of this report provides a matrix of areas of evaluation and corresponding limitations and/or additional project-specific requirements and offers benefit to individuals who are assessing eligibility for credits or points.

The final interpretation of the specific requirements of the respective green building rating system and/or standard rests with the developer of that specific rating system or standard or the AHJ, as applicable.

Decisions on compliance for those items noted as "Eligible for Points" in Tables 1 through 5 rests with the user of this report, and those items are subject to the conditions noted. The user is advised of the project-specific provisions that may be contingent upon meeting specific conditions, and the verification of those conditions is outside the scope of this report. Rating systems or standards often provide supplemental information as guidance. Compliance for items noted as "Verified Attribute" is also subject to any conditions noted in the tables.

## 6.0 BASIS OF EVALUATION

The information in this report, including the "Verified Attribute", is based upon the following supporting documentation:

- 6.1 Data in accordance with ICC-ES Environmental Criteria for Safe and Sustainable Cabinetry (SASC) [EC118], dated March 2024; **Green Tier**. [Evaluation applies to the code and standard sections outlined in Tables 1-5 and the manufacturing tracking requirements and recycling requirements for green tier compliance].
- 6.2 Quality system documentation in accordance with ICC-ES Evaluation Criteria for Safe and Sustainable Cabinetry (SASC) [EC118], dated March 2024.

## 7.0 IDENTIFICATION

- 7.1 Masterbrand Cabinets LLC's sink and vanity base cabinets are identified with labels noting the name or logo of the manufacturer (Masterbrand), VAR Environmental Report number (VAR-1047) or ICC-ES Electronic Label (QR Code), and the ICC-ES SASC Mark.
- 7.2 Masterbrand Cabinets LLC's kitchen and vanity cabinets packaging are identified with labels noting the name or logo of the manufacturer (Masterbrand), the brand and model of the product, the VAR Environmental Report number (VAR-1047) or ICC-ES Electronic Label (QR Code), and the ICC-ES SASC Mark, as applicable.
- 7.3 The report holder's contact information is as follows:
